Thythorn Field
Primary School

Friday 20th March 2026

Dear Parents/Carers

We are excited to announce that from Monday 13th April, our new catering provider will be Relish. Relish currently offer catering services to a number of Symphony schools and provide a varied range of wholesome, exciting and tasty meals for your child.

Our existing catering staff will continue to work in the Thythorn kitchen and look forward to working with Relish!

Each day, there will be a choice of two main meals and a choice of puddings. Each morning, your child will choose in the classroom, which main meal and which pudding they would like to eat that day. This ensures your child will be served with their own choice of meal each and every day.

After the Summer holidays, you will be able to choose your child's menu with them from home. This will require login details to the Relish portal which we will issue towards the end of the Summer term.

The cost of a paid meal will be £2.80. If your child is in EYFS, Year 1 or Year 2, they will continue to get a free school meal under the universal free school meal entitlement. If your child is eligible for free school meals due to receiving pupil premium funding, they will also continue to receive a free school meal each day.

Children can still choose to bring in their own packed lunch if this is their preferred option.

The Relish system is updated with any dietary information that the school currently holds for your child and ensures that any meal options that are unsuitable are not available to them. Please update us if any new dietary requirement is confirmed.

Please note, to allow an order to be placed, there must be sufficient credit on your child's account. Please ensure that you regularly check your online Scopay account accordingly.

Shortly after returning from the Easter break, we will be sharing with our Parents/Carers some of the wonderful meals that are offered to the children via a tasting event. Further details to follow.

Please find attached the full three week menu which operates on a rotating basis. Week 1 commences Monday 13th April, the first day back after the Easter holidays. We will continue to have special menu days aligned to celebrations such as Easter, Christmas and Bonfire Night. These menus will be promoted at the relevant times throughout the year.

If you have any questions regarding the catering changes, please do come and speak with the School Office.

Kind regards

School Office and the Catering team
